Before School and After School Care

It is common for parents to both be at work once children get to school age and we understand the demands and time constraints placed on families. Our Before School care and After School Care programme aims to help families in a practical way, by offering children the chance to be supervised and nurtured within the school environment.

Before School and After School programmes are based in Kindergarten and are available for all Junior School students. Before School Care is run from 7.30am to 8.30am, and After School Care commences immediately students are dismissed at the end of the school day. This programme runs until 6pm each day.

Private Instrumental Tuition

Music is an invaluable activity that contributes significantly to the development of a child, and strengthens their educational, physical and emotional development. Like a song or a dance step, when learning a musical instrument your child experiences the unique sensory integration of body and mind that music provides. Sensory integration is a crucial factor in children’s learning readiness for other school subjects such as reading, writing and maths. All students are encouraged to take advantage of our Private Instrumental Tuition Programme. Lessons in woodwind, brass, percussion, string, guitar, voice and piano are offered at the Junior School. Hire of instruments is available. Contact the Junior School Music Department for more details.
