The 2011-2020 Launceston Church Grammar School Strategic Plan was the product of a two-day school community consultation meeting held in August 2010. Over 70 people representing various stakeholders of the School came together to create the foundations of our Strategic Plan.

Since its introduction, in 2011, the plan has driven essential decision making and has had a profound influence on the strategic direction of the School. The plan is a constant point of reference and has given rise to a remarkable number and range of educational innovations and improvements.

A mid-term strategic plan review has recently been conducted which gives rise to this document. The review involved both members of the School Board and Senior Management. Appropriate of the School.

An Anglican School

We have had a close and enduring relationship with the Anglican Church in Tasmania since our beginning in 1846. That relationship helps define our core values, is an integral part of our Anglican identity, and provides the opportunity for students from Australia and beyond to receive a breadth of a globally focused education.

Our Values

• Act according to the belief that each individual is uniquely important and valued
• Be thoughtful and sensitive to the needs of others
• Build confidence and self reliance
• Show a strong sense of responsibility for our community
• Nurture and inspire our people
