LAUNDRY

Laundry may be arranged through the School for all boarders.* Laundry will be collected on a designated day and then washed, ironed and returned in the student's laundry basket or bag.

Students from Grades 10 to 12 may launder their own clothes if they can maintain an acceptable level of organisation. All Grade 11 students will be assessed at the end of Term 1 on their management of laundry (washing, ironing and storage of clean clothes and bed linen). Students who have not demonstrated good skills will be required to have their laundry serviced by the School.*

*The cost for laundry to be serviced by the School is \$100 per month.

ALL ARTICLES OF CLOTHING MUST BE CLEARLY NAMED
