Dear Parents

The next four weeks leading up to the holiday promise to keep the Grade 7's busy. The majority of Student/Parent/Teacher interviews have now been completed. These provide a valuable insight into the student's Grade 7 year for all involved and I would like to thank all parents for making the time to attend. Students have been working hard and have impressed us with their high level of focus on their studies and ability to have a positive attitude and persevere with any challenge that they are presented with.

As we are now entering spring and hopefully saying good bye to some of the colder weather summer uniform is again optional. I know we will have quite a few brave souls ready to don their shorts and dresses as soon as possible. Many of the students have grown quite a lot over the winter months and I would ask that the girls particularly be mindful of hems that may need to be taken down. Students have been asked not to wear their black jackets with their summer uniform. They may still wear their jackets as part of their sports uniform, however, this piece of attire is not part of the summer uniform.

On Monday 24 September there will be a Grade 7 social. Invitations to this will be sent home in the near future. I know that the students are looking forward to a fun night. The social runs from 7.00pm until 9.00pm.

The Spring Fair is fast approaching and will be held on Saturday 15 September. Grade 7 have been asked to contribute to the Treasure Chest and help man this stall. The fair is a great opportunity to catch up in a relaxed setting. I hope to see you all there on the day as it is usually a lot of fun.

The winter season of sport is beginning to come to a close, and the Grade 7's have seen much success. By this I do not mean that each and every team has made it through to their grand final but participation has been strong, skills have developed and improved, and team spirit has been fostered. Of course, I do wish those students well who are participating in finals in the coming weeks and I am sure they will represent the school extremely well.

With the Maria Island Camp fast approaching, it would be greatly appreciated if you could ensure that your child's medical details and dietary requirements are up to date via parent lounge. The Outdoor Education staff have been preparing their letter outlining the camp (including a gear list) and this will be emailed to you at the beginning of Term 4.

Warm regards

Jacquie Bourne
Grade 7 Co-ordinator
