

# Instrumental Music Lessons Junior Campus

Launceston Church  
Grammar School

*Nurture, Challenge, Inspire*

## Instruments Offered

We offer tuition in the following:

Violin	Flute	French Horn	Classical Guitar	Piano
Viola	Clarinet	Trumpet	Acoustic Guitar	Singing
Cello	Saxophone	Trombone	Electric Guitar	
Double Bass		Euphonium	Bass Guitar	
			Drum Kit	

## Timetabling

Students will be allocated a lesson time at the beginning of the year and whenever possible, lessons will be given on a rotating basis to minimise disruption to other classes. Some lesson times may be available outside class time, thereby eliminating the need for a student to miss classes.

## Fees

Lessons will be of 30 minutes duration, however, a longer lesson can be organised if required. The current fee is \$35 per half hour lesson.

One lesson per week will be given throughout the school year. Lesson charges will be added to your school account fortnightly. If your child has attended a school camp or excursion you will not be charged for the missed lesson.

Your child is expected to attend the instrumental music lesson at the scheduled time, however, should he/she be unable to attend for any reason, you are asked to advise the Director of Music or the instrumental teacher as early as possible. **Please note that you may be charged for a lesson if you have not given sufficient notice of cancellation.**

The instrumental programme is to be regarded as a year-long commitment. Should the need arise to discontinue lessons, the School requires **notice in writing** from a parent/guardian to be forwarded to the Director of Music at least **half a term** prior to the cessation of lessons. Half a term's fee will be required if shorter notice is given.

## Instrument Hire

The School possesses a number of the above instruments available for hire for a fee of \$60 per term. Students are required to have access to an instrument.

## Insurance

Instruments taken out of the School on hire are the responsibility of the student and his/her family. The School's insurance policy does not cover a musical instrument for loss, damage or theft whilst out on hire. It is expected that an instrument hired from the School is covered by the normal household policy taken out by the student's family.
