Dear Mr Foster,

### **Metro service arrangements for Friday 4 November**

The Department of Education has advised that Friday 4 November will be a student-free day in northern Tasmania for state primary and high schools from kindergarten to grade ten. As the secondary colleges and the majority of non-government schools will be open as normal, Metro's services to Launceston Church Grammar's Mowbray campus will operate as scheduled.

General public bus services on Metro's Launceston network will continue to operate to the Term weekday timetable.

This information will also be made available on the Metro website and communicated through our social media channels. It would be appreciated if this information could also be shared across the school community.

Should the school have any questions regarding these arrangements, please contact the Metro Hotline on 13 22 01 or email [contact@metrotas.com.au](mailto:contact@metrotas.com.au)

Yours sincerely,

**John Perrott**  
**Manager Network and Performance**
