Pastoral Care
Programme**

PASTORAL CARE PROGRAMME

Pastoral care refers to our continuing provision for the intellectual, emotional and social development of all students. The School devotes generous amounts of personnel and resources to the welfare of each individual student.

Our Pastoral Care Programme is based on the values: care, tolerance, compassion, respect for others, respect for the environment and respect for one's self.

Pastoral Dean

The Pastoral Dean prepares and co-ordinates the delivery of the Pastoral Care Programmes.

Grade 7 Co-ordinator

The Grade 7 Co-ordinator co-ordinates the Pastoral Care Programmes for the Grade 7 students.

Grade 8 Mentor

The Grade 8 Mentor works with the House Heads and Tutors to ensure the transition from Grade 7 to Grade 8 is seamless and provides additional support throughout the year for Grade 8 students.

TCE Mentor

Students have in addition to the House Head and Tutor a TCE Co-ordinator who is specifically responsible for supporting senior students.

House Heads

House Heads work closely with the Pastoral Dean to deliver the Pastoral Care Programmes to their House. The House Heads provide support to students in a variety of areas and work closely with their Tutors to ensure the wellbeing of each student.

Chaplain

All students participate in a weekly Chapel Service as part of the School's programme. The School Chaplain leads worship in the School and is available to students as a mentor. The Chaplain works closely with the Pastoral Team.

Psychologist

Our psychologist and counsellor work closely with parents and staff to provide counselling and assessment for students requiring assistance. It is always with the student's best interest and continuing growth in mind that we seek to work with our psychologist.

Heads of Boarding

Our Heads of Boarding work closely with House Heads, the Grade 7 Co-ordinator and the Junior Campus to ensure the wellbeing of boarders.

Grade 7 Class Teachers

Our Grade 7 students are allocated a House however the pastoral care is provided by their class teacher until Grade 8.

Houses

Savigny

Roff

Gillett

Wilkinson

Fraser

Hawkes

Boarders are members of Hawkes House as well as one of the other Houses.

Tutors

Upon entry into Grade 8, students are placed into Tutor Groups within each House. Tutor Groups are made up of approximately 20 students and these students are a mixture from each Grade level (Grades 8 – 12).

Students stay in these Tutor Groups throughout their time at Launceston Grammar.

Tutors meet daily with their group to monitor their students' progress and wellbeing. Tutors provide advice to individual students where necessary and provide, at various times throughout the year, support in areas such as revision for exams, subject selection, goal setting and time management.

Tutors deliver the Global Citizens Programme.
