

# The Original Broadland House School Restoration Project

Supported by Launceston Church Grammar School  
and the Broadland House Old Girls Association.

Together we are committed to preserving  
this irreplaceable building.

Broadland House is historically unique to Tasmania, being a pisé style, pressed earth rendered building, and is impressed in the memories of the Old Girls who attended as day girls and boarders until 1982.

Now Broadland House needs some care, with rendering of cracks on the Eastern face and preparation for painting, window frame and front verandah maintenance and new hand rails for the fire escape.

We are now appealing for your support.
