General Appearance

Hair	Hair for all students must be clean, neat, well-groomed, a natural colour and of no more than one colour. Hair below the top of the collar or which is long enough to hang over the top of the eyebrows must be tied back and off the face using a hair elastic or ribbon which is the colour of blue, black or white. Hair is not to be shorter than a number 3 if a 'buzz cut' or have contrasting lengths, instead, any differences in length are to be blended in. Faces must be clean-shaven with sideburns not extending below mid-ear. Cuts or styles which, in the opinion of the School, are extreme and attract undue attention, are not acceptable. If in doubt consult the School before making radical changes to hair.
Jewellery	When in school uniform students are permitted to wear one small matching pair of gold, silver or white pearl studs approximately 4-5mm in diameter in the ear lobes only. No other visible jewellery is permitted other than a watch. Only lapel badges earned through the school may be worn. Studs and watches are not to be worn with any sports uniform.
Makeup	No visible makeup is to be worn. This includes nail polish, nail extensions, and eyelash extensions.
Tattoos	No visible tattoos are allowed.
Bags	Students are required to only use Launceston Grammar backpacks and rucksacks.

<p>Sports Uniform</p>	<p>Junior Campus: Students are required to wear their full sports uniform on Physical Education and Sports days to and from school. Senior Campus: Sports uniform should only be worn for Physical Education or where directed by a subject teacher. Students should not wear sports uniform to and from school unless being dropped off and picked up by a parent. All students using public transport must be in full school uniform. Team Practices: For all sports practice the standard sports uniform is to be worn. Games: School track pants and rugby tops are to be worn as over garments with sports uniform. The Launceston Grammar sports jacket may also be worn.</p>
<p>Casual Clothes Days</p>	<p>On days designated as ‘casual clothes’ the guidelines are as follows: • Students are reminded that the day is a normal school day in every other respect except that they are not required to wear School uniform. The style of dress on these days should be suitable for the working environment with the emphasis on neatness and comfort, not decoration and poor taste. • Closed footwear must be worn. Open footwear such as thongs or sandals are not to be worn. • Students with Physical Education classes on these days must change in to their sports uniform.</p>
<p>Blazers</p>	<p>On days where the temperature is predicted to be over 25°C, students are not required to wear their blazer to and from school. On days when it is raining, students may wear their Grammar sports jackets over their blazers, but these must be removed before going to class.</p>
